#### WHAT SHOULD MY CHILD BRING ON THE FIRST DAY?

A school bag containing a notebook, pens, **BYOD or iLearn laptop** and a sun safe hat, as well as a nutritious morning tea, lunch and water bottle. We have bubblers around the school for refills.

#### WHAT SUBJECTS WILL MY CHILD BE STUDYING IN SEMESTER 1?

Students will be provided with their timetable on the first day of Term 1.

#### WHEN DOES THE DAY START?

The 2023 bell times have changed. Over four and a half days our timetable is structured to engage students in the learning on site. On Fridays, the second half of the day enables the school to flexibly deliver our curriculum alongside our intervention strategies. So that this can happen, the end of official timetabled classes on a Friday is 11:50am. More detailed information about this update, will be sent out to you in early 2023.

<b>ROLL MARKING FOR DAYS 1 -8</b>	Capturing student enrolments helps to determine school staffing allocations required to support student learning in Queensland state schools. Effective enrolments are captured by accurate roll marking during days 1-8, which will occur in the SPC at 9:00am. Students will be assisted by staff to assemble in their extended form groups (EFG) for this to occur. Parents are requested to contact the school to advise of student absences by texting the student's name and reason for absence to 0451 562 283 or leave a voicemail on the student absence line 5498 0160.

<b>FIRST AID &amp; EMERGENCY CONTACTS</b>	<p>If your child becomes unwell during the school day, they should go to the First Aid Room, and our First Aid trained staff will call the parent. If you (the parent/carer) are not available, our staff will then contact those you have requested to be listed as emergency contacts for your child.</p> <p>Are your child's emergency contacts up-to-date? Call the office on 5498 0111 or email us at <a href="mailto:enrolments@caboolturehs.eq.edu.au">enrolments@caboolturehs.eq.edu.au</a> to update details as required.</p> <p>If your child calls you (the parent/carer) requesting to come home because they are sick, please help us by asking them to go to the First Aid Room.</p>
<b>STUDENT ILLNESS/INJURY</b>	<p>Students who become ill or injured while at school must follow the correct procedure, as outlined below.</p> <ul style="list-style-type: none"> <li>Students must request a movement pass from their classroom teacher if they are in class. If they are on a break, students may go directly to the First Aid Room, located in C Block</li> <li>Our First Aid Room Teacher Aides will then phone a parent or carer to advise and arrange collection if necessary.</li> <li>If your child does contact you, please ask them to go to the First Aid Room.</li> </ul>
<b>ABSENCES</b>	<p>Please notify the school of your child's absence prior to 9:00am each day. We are required, by the Department of Education, to implement a same day absence notification to parents/carers.</p> <p><b>Please ensure that you state your child's name/s, Extended Form Group and reason for absence, as well as the parent name - this information is important if you have more than one child attending our school, especially when advising by SMS.</b></p> <p>If no notification has been received by the school, the student will be marked with an 'unexplained absence' and parents/carers will be notified via our message service. Please reply to this SMS, so your child's absence can be amended.</p> <p>Parents and carers may use either of the following:</p> <ul style="list-style-type: none"> <li>QParents App</li> <li>Student absence SMS   0451 562 283</li> <li>Student absence line   5498 0160</li> <li>Student absentee line via the main school number   5498 0111 (option 2)</li> <li>If you are unable to leave a message, please contact the main school number</li> </ul>

<b>LATE ARRIVALS</b>	<p>Students who are late to school are required to present to the student counter so they can be issued with a late pass.</p> <p>If a student is absent from Lesson 1, they will be marked with an unexplained absence. Parents/carers will receive an SMS to advise them of their child's absence. We ask that parents/carers respond to these SMS's, so that your student absences can be recorded correctly.</p>
<b>EARLY LEAVE PROCESS</b>	<p>If your child needs to leave for an appointment before the end of the school day, please ensure you (as the parent/carer) provides them with a permission note that they can hand in at our student counter. They will need to arrange for a leave request before school starts. The note must include the student's name; Extended Form Group; and requested leave time. Our administration team will process the leave request, sending an SMS to the parent to confirm the information is correct. Students will receive a leave request slip, if they are leaving during class times, which students will be required to show teachers, before being allowed to leave the class. The student must then report to the office to leave the schoolgrounds.</p> <p>We understand that in some circumstances, appointments come up at the last minute. In cases where you have not been able to provide the required note before school, please contact the office directly on 5498 0111.</p> <p>If your child has a mobile phone, and they are not aware of the arrangements, you may also send them an SMS to notify them. Please note that students must have their phones turned off in class, therefore they may only get your message in break times.</p> <p>Please note, we do not have a paging system within the school, nor do we have the administration staff who are able to leave the office to find your child, so pre-organising your child is the best way to ensure a smooth departure.</p>
<b>MOBILE PHONE USAGE</b>	<p>Students may bring a mobile phone to school; however, they are not permitted to use them during class times. Students will be required to turn their phones off and leave them in their bag, pocket or pencil case – out of sight, to avoid disruptions to the remainder of the class and the teacher.</p> <p>Each of our classrooms have a set of mobile phone pockets. It is reasonable for teachers to ask students, who don't follow instructions around mobile phone use, to put their phone in one of these pockets.</p> <p>Individual students who continue to not put their phone away risk serious consequences, including the student and phone being sent home, and/or suspension, as well as not being allowed to bring their phone to school. This will ensure they don't disrupt the learning of others and waste teachers' time in the classrooms.</p>
<b>SCHOOL FEES</b>	<p>Information about school fees, Student Resource Scheme (SRS) and Elective Subject Fees are available on our website - <a href="https://cabooltureshs.eq.edu.au/enrolments/resource-scheme">https://cabooltureshs.eq.edu.au/enrolments/resource-scheme</a></p> <p>Subject fees are payable in addition to the Student Resource Scheme dependent on subject choice/s.</p>
<b>STUDENT RESOURCE SCHEME</b>	<p>Our school operates a Student Resource Scheme (SRS). The SRS includes items such as: Textbooks for ALL subjects - core and elective (both digital licenses and hard copies); novels; administration of scheme; ID card; online subscriptions; photocopying and consumables.</p> <ul style="list-style-type: none"> <li>• The SRS fee for Year 7, 8 &amp; 9 is \$300</li> <li>• The SRS fee for Year 10, 11 &amp; 12 is \$240</li> </ul>
<b>BYOD/ILEARN (LAPTOPS)</b>	<p>We have two options for laptop usage at our school:</p> <ul style="list-style-type: none"> <li>• The preferred method is Bring Your Own Device (BYOD), where students bring their own compatible laptop to school and connect to our network for \$20 per year.</li> <li>• The other method for students to access a laptop, is via our iLearn program, where students hire a laptop from the school, which is set up with all the needs for student learning. The fee to hire a laptop is \$300 per year.</li> </ul> <p>Invoices will be sent to parents/carers, once we receive the signed participation agreement forms and payment method confirmed for either of the above options. Please refer to the BYOD &amp; iLearn forms available on our website, or attached to this email.</p>
