17 June 2013

FROM THE PRINCIPAL’S DESK

Dear parents and carers,

The end of semester is a busy time for households as students put the finishing touches on assignments and prepare for important exams. This is especially so for our Year 11 and 12 students as they complete important assessment. We wish all students well in these exams and I am sure that they will reap the rewards of their hard work this semester. Block exams will finish on Wednesday 19 June and normal classes will run for Thursday and Friday. I encourage all parents/carers to ensure their children attend school all this week.

Reports for Semester one will be posted home Friday July 12, with parent-teacher interviews being held on Monday 26 August. Interviews will be held on the same day as Year ten SET plan meetings and will take a different format to usual. For the past few years, the number of parents attending the second parent-teacher interview day has been declining. After discussion with the P&C, we will be trialling a format now common place in other schools where parents will meet with one teacher per student, usually the student’s house group teacher, and receive holistic feedback on student progress. Feedback will include academic progress, attendance, behaviour, future goals etc. We will again be using the online booking procedures with instructions being posted home closer to the time.

Tomorrow, 50 Year ten students will be visiting the Queensland University of Technology Kelvin Grove and Gardens Point Campuses. This is an exciting opportunity for these students to have their first look at a university and it will hopefully inspire them to pursue further study after school at one of the many universities in Queensland.

On Sunday 21 July, we will welcome 11 Taiwanese students and their teacher to our school for their study tour. The group will be with us for 20 days. A big thank you goes to the families who are welcoming these students into their households. Without your support these tours could not take place. We are still looking for families to host these students, so if you are interested, please contact our tour co-ordinator, Leanne Long, on 54980111.

On Friday I received a letter from the Queensland Conservatorium regarding two of our students who nominated for the State Honours Ensemble Program 2013. I am pleased to advise that Callum Young in Year nine was successful in his nomination and Abigail James in Year ten has been selected as a reserve. Callum plays the tuba and Abigail the flute. Congratulations to these two excellent music students.

Finally, I wish all families a safe and enjoyable holiday break and look forward to the return of students on Monday July 8.

Mr Peter Willmott
A/Principal

QSCHOOLS SMARTPHONE APP NOW AVAILABLE FOR CABOOLTURE STATE HIGH SCHOOL

The Minister has released the QSchools smartphone app, which integrates with our school website. The app allows parents, teachers and students to have instant access to live school updates and information, connecting the school community.

The app displays school location, contact information, news, calendar events and newsletters. This information feeds directly from our school website. When we update and publish content on our website, the app also automatically updates.

Watch the Channel 7 news story on YouTube

App benefits for parents/caregivers include:

- searching for the nearest school by current location, postcode, school name or suburb and view school contact details
- adding multiple schools as favourites to enable parents to view updates from multiple schools in a single view
- accessing the latest school news and events to stay informed
- receiving emergency announcements and information around school closures
- convenient and prompt method of receiving messages/information from school/s

Downloading app

The QSchools app is available for parents to download free via the Apple iTunes store and Google Play. For more information, view the DETE site. (A link to this is also on our school website homepage, in the quick-links section: www.cabooltureshs.eq.edu.au)

eDIARY

The school has taken the decision to move to an electronic version of the homework diary during this year in preparation for
its full implementation in 2014. Paper diaries will still be available for those who prefer these.

The benefits of eDiary are many. When parents and students have registered, eDiary allows parents and students to logon to the eDiary website and view all homework set. In this way, parents can keep a close track on exactly what is set for homework and can then monitor its completion at home. Teachers actually set the homework from their logon, with parents and students accessing it from their respective logons. Easy access to school policies, events and the staff directory are just some of the added benefits of eDiary.

We have already had an overwhelming number of parents/carers and students register for eDiary. Registration is commenced by filling out the consent form available; at the office; in the homepage quick-links section of our school website: www.cabooltureshs.eq.edu.au; or here:

Once this form has been completed, it needs to be returned to the school office. You and your student will then receive an email invitation from eDiary from which you can follow the link and confirm your details.

The consent form has been provided by Education Qld and is very wordy. In summary, the only information we would be providing eDiary, with your consent, is as follows:

- Students: first name, last name, school email address, EQ student number, subjects
- Parents: first name, last name, email address, EQ family ID, participating student email address/es

Under our agreement with eDiary, this information remains secure with them for the purposes of using eDiary and will not be passed on to any third party.

**TAIWANESE STUDY TOUR**

This year, our school is hosting a study tour of Taiwanese students. The students will arrive on Sunday 21 July 2013 and depart on Friday 9 August 2013. The group comprises of 11 students, both male and female, aged 15 - 18 years.

Having these students as part of your family for this time, is a truly great and rewarding experience. This has been the case with many of our host families who have had our study tour students in their homes. Friendships have been forged which last a lifetime. We are currently seeking host families to look after these students during their stay.

If you are interested in hosting a Taiwanese student, please call Leanne Long – Study Tour Coordinator - at the school on 5498 0111 to register your interest.

**It’s the wRap – Year Eight…**

Term two has come and gone by so quickly
With students coming on Mondays dressed quite slickly,
This term students engaged with lots of learning
Through exams and assignments most have been churning.
Classwork and effort has generally been great,
Let’s continue with this all year you wonderful grade eights!
Sport this term was also a success

With our basketball girls showing their prowess
Our Diamond stars have started to shine brightly
For respecting others and acting politely
These rewards for citizenship will still continue
So strive for one – you’ve got it in you!
The reporting process is now upon us
Where teachers are marking and writing comments,
You will get these reports posted to you,
They hopefully should arrive in about week two.
This term our grade eights have been a pleasure
Leaving lots of memories to treasure
I look forward to what term three will bring…
Perhaps it will make me so happy that I will sing.
Have a safe and relaxing holiday break
And I will see you all back on July 8th
Wearing your formal uniform
And looking great!

*Mrs Beaumont*
*Year eight Coordinator*

**YEAR NINE REPORT**

It is with great pride that I acknowledge and congratulate the Year nine cohort, for their outstanding efforts with learning and for their valuable contributions to our school this term!

Students and teachers alike were very busy working collaboratively on skill development and building familiarity with formal testing conditions in the weeks leading up to NAPLAN which was held on the Monday, Tuesday and Wednesday of Week 4 this term. It was wonderful to see so many of our student leaders give up their own time, and join with staff, to prepare and serve the nines a delicious and healthy breakfast buffet each morning. There is no doubt that they cooked up a storm! There was toast, fresh juice, Milo and scrumptious bacon and egg burgers - the most popular menu item by far! Our school was also very fortunate to be supported by our local Woolworths stores. Representatives encouraged our students and provided them with a lovely variety of fresh fruits and yoghurt. A big thank you goes to the parents and care-givers who supported our students through NAPLAN, to all of the CSHS staff involved and especially to our HOD of Middle Schooling - Mrs Sarah Brady - who organised timetables, venues, resources and NAPLAN rotation days to ensure all students had the very best opportunity to showcase their impressive abilities in literacy and numeracy.

Following NAPLAN, our students have been able to engage in kinaesthetic learning through the Access program on Thursday mornings. We have been alternating between two fun
The first is a personal management program which has been organised and coordinated by our school nurse, Marie Pritchard, and I. In this two week program, students participate in four sessions entitled ‘Mr and Mrs Perfect,’ the ‘Dinner Plate Challenge’, ‘Top to Toe’ and ‘You Did What?!’ Each of these 25 minute sessions focus on body image, teen nutrition, hygiene and self-regulation respectively. The second two week program, developed by school chaplain Mark Bellamy and Access coordinator Jayne Hooper, has students working together to build valuable team work and leadership skills.

Another school event that got our nines moving in Week 6, was the school’s cross country. Pleasingly, we saw our Year nine cohort participate with enthusiasm and energy. I attempted the 4km stint alongside the girls and found they gave me a run for my money! Needless to say, it was a memorable event for all!

At our year level assemblies each week, house-group captains have been putting a spot light on our school values by rolling out presentations based on our respect rules. These thought-provoking and engaging segments have been built upon a range of graphic organisers and have demonstrated our students’ developing leadership skills. Nikita Tierney, Callum Young and Steele Ford presented a particularly noteworthy performance in Week 8 which highlighted and explained the reasons and ways we respect resources. All of our house-group captains are highly commended for their organisation and commitment to supporting their peers in contributing positively to our school community. Congratulations team!

In addition, we have celebrated student success on assembly with our weekly Emerald Awards. This term we have seen the following students receive a certificate for their great efforts:

<table>
<thead>
<tr>
<th>Name</th>
<th>Jordan Dart</th>
<th>Chantelle Hardie-Cherrington</th>
</tr>
</thead>
<tbody>
<tr>
<td>Terry Hutchinson</td>
<td>Clayton Jenkins</td>
<td>Jasmin Jensen</td>
</tr>
<tr>
<td>Jacob Madeley</td>
<td>Naomi Marsden</td>
<td>Angela McCasker</td>
</tr>
<tr>
<td>Bianca Montgomery</td>
<td>Rachel Neal</td>
<td>Katie Offer</td>
</tr>
<tr>
<td>Adrian Proctor</td>
<td>Alex Rios</td>
<td>Lucas Spinks</td>
</tr>
<tr>
<td>Ebony Stratford</td>
<td>Nakita Tierney</td>
<td></td>
</tr>
</tbody>
</table>

Well done, Year nines! It is a pleasure to report on your success this term!

Mrs Dee Stephenson
Year nine Coordinator

WHAT’S HAPPENING IN SENIOR SCHOOLING

It’s that time of the year again – exams and assignments are upon us. At this stage it is vital for students to manage their time effectively and not to fall into the trap of ‘leaving things to the last minute’. Managing time efficiently allows the opportunity to seek crucial feedback on assessment tasks and make adjustments where necessary.

Students out and about

A group of Year 11 students will commence study at QUT in Semester two, through the “Applied Skills” course. This is a writing based course that will help students develop a range of academic skills in a supportive academic environment. Best of luck to students beginning this course.

On Tuesday 18 June, approximately 50 Year tens will be visiting QUT Gardens Point campus for the ‘Explore Uni’ day. Students will get a ‘taste’ of what University life is like and be involved in workshops across a selection of areas.

Queensland Core Skills (QCS)

Year 12 QCS students have been thoroughly preparing for September’s test. The third Mighty Minds master class was held in Week eight of this term. The Director of Mighty Minds commended our students on their hard working attitude and commitment to improvement throughout these workshops so far. On June 19, Year 12 QCS students will have a practice exam focussing on multiple choice and the writing task. It is important to come prepared to this exam as you would the ‘real’ test. If you need clarification on what to bring, please refer to your pathways to success book. Keep in mind that there will be a full day QCS practice on Thursday July 18.

Vocational Education

Help needed: We are seeking work placement in the Hospitality and Construction areas for our Year 11 students for the periods 16 – 20 September and 25 – 29 November. If you are able to offer placement in these areas please contact Kathy Kerr on 54980111.

Our traineeship information night will be held 29 July, commencing at 7pm. Further information will be given to Year ten students after the holidays.

Congratulations goes out to Emma Mawston and Matthew Proberts who have successfully completed their school based traineeships with Norths Leagues Club at Kallangur.

Remember that it may seem overwhelming in this busy time of your lives with school, family, sport, work and social commitments. In the overall scheme of things, the next five months of your schooling is only a small fraction of your lives, yet it does have considerable impact over where your future, potentially long term, may take you. Apply yourself now and have no regrets about it later. Best wishes for your upcoming assessment period.

Mr Anthony Royer
A/HOD Snr Schooling/Yr 11 Coordinator

AUSTRALIA ZOO EXCURSION

To acknowledge the excellent behaviour and effort that students demonstrated on their last report cards, our PRIDE students were invited to attend a fabulous adventure to Australia Zoo. On Friday 31 May, 114 very excited students from across the school, with nine equally excited staff, ventured...
up to the zoo to have a day jam packed with animals, shows and wildlife experiences! It was a wonderful opportunity for our students to see a number of different animals from all over the world. Some students were brave enough to feed elephants, hold baby crocodiles and even cuddle a koala. Students were also treated to a fabulous show in the Crocoseum, where they were able to see the amazing strength of the crocodiles and the beauty of a number of birds from around the world. All in all, the day was fantastic, and we were very impressed with the student behaviour and engagement. Well done students and thank you to the great staff who came along for the day too.

Here’s what some students said about the day:

- ‘It was awesome.’ - Brooke Springall.
- ‘First time ever to go to Australia Zoo. It was amazing to see all the animals!’ - Chelsea Simpson.
- ‘It was my first time going to Australia Zoo and it was really nice to see all the different animals. The Crocoseum show was really entertaining. I would have wished to see the giraffes’ - Sarah Reid
- ‘It was amazing. I had the best day with my friends. My favourite part was the crocodile show.’ - Emily Neve
- ‘It was AMAZING! I hadn’t been there since I was like 7 years old! My two favourite parts were the crocodile show and getting to walk around for ages. Truly amazing.’ - Nikita Cocup
- ‘It was awesome, best that I have had in a very long time and would like to do that again, and I just loved it. And Mrs Beaumont is awesome!’ - Adrian Rogers
- ‘It was amazing. I most enjoyed getting out of class and the rest... and it was just awesome being with friends.’ - Daniel Fleet

**Mrs Beaumont**

**Year 8 Co-ordinator**

---

**ANOTHER SUCCESSFUL SEMESTER IN THE WORLD OF LIFESTYLE TECHNOLOGY**

This department aims to engage students in as many practical scenarios as possible, as this gives individuals opportunities to establish a clear understanding of real life situations.

Food studies students have begun a composting program within our kitchens. This will have multiple fold results such as role modelling for sustainable practices to our students; reducing land fill wastage; providing a constant supply of top quality compost for our food gardens; and allowing students an insight into taking responsibility for their own waste. The garden’s winter crops are flourishing and are currently providing the kitchens with fresh herbs, vegetables and fruit. This is also the first season we have picked pomegranates, lemons and bananas.

We have two teams of Year ten students entered in the Queensland Secondary Schools Culinary Challenge. Janaya Kindma and Clare Garner have created a delicious orange crispy skin roast chicken with seasonal vegetables, while Jacqueline Aspland and Amy Payne will make sticky teriyaki chicken, rice and green paw paw salad. Most of the students’ vegetables and herbs will be sourced directly from the school garden. Good luck girls.

In other news, Hospitality students have been enjoying the sights and tastes of Brisbane. The annual Year 11 excursion, to the South Bank Institute of Technology, took the students through the training kitchens to observe best commercial practice. The day concluded when the students were invited to partake in a two course full service meal in the restaurant.

Year 12 students visited Royal on the Park to gain insight into the operations of an inner city restaurant. This was a most informative tour, finishing with a wonderful, full service, two course lunch. I would like to thank the management team who took time out of their busy schedule and made our visit most memorable.

Fundraising has begun to enable some of our least privileged Hospitality students the chance to attend the annual trip to the SeaWorld Nara Hotel School. The students filleted and skinned fish as part of the “Organise and Prepare Food” competency. The students then made and sold fish burgers to the Caboolture High staff. I would like to thank Scott Higgins and his Woolworths team, for providing the fresh bread rolls, allowing the day to happen.
VOICES ON THE COAST

June third’s visit by 14 budding readers, writers and illustrators from Caboolture State High School, proved again what a wonderful opportunity the annual literary festival, Voices on the Coast, is for students to develop their writing, acting, listening and illustrating skills.

Students in attendance ranged from Year eight to Year 12 and they all enjoyed the opportunity to find their way around the campus of the Sunshine Coast University. All students selected four sessions of the 64 options available for the day.

At the end of the day - with only two students getting lost (Clare and Rachael) - the consensus was that the festival, as well as being great fun, was also a good way to learn things like: how to get a book published; how to write comedy; easy ways to illustrate books and lots more.

The students had the following comments to make about the day:

- ‘I enjoyed hearing the poetry guy talk to us because he let us relax and told us funny, scary stories.’ - Talesha Lindsay
- ‘I enjoyed listening to the poetry section, as he expressed how he was feeling at different periods in his life.’ - Jetta Ferguson-Male
- ‘Listening to the point of views of different authors writing different genres was really inspiring, especially when it comes to the way to think differently for more creativity.’ - Indigo Sutherland
- ‘A good way to learn the process of writing and publishing…’ - Jamie Kostaschuk
- ‘The best part of “Voices on the Coast” was listening to other people and authors share the same passion and inspiration that comes from writing.’ - Tanika Cooke

Ms Jenny Creffield  
English Faculty

SCIENCE NEWS

This term has seen our Year 11 Chemistry students working on their Water unit. As an assessment task for the unit, students undertook an excursion to collect water samples from a variety of locations along the Caboolture River, from its mouth to its upper reaches. The samples were then analysed, both at school and at the University of The Sunshine Coast (USC). Students were very keen on both the collection and analysis phases of this activity and it was evident that they enjoyed the visit to an advanced analytical laboratory. I would like to take this opportunity to thank the staff at USC for their continuing assistance. Students finished this activity by incorporating their findings into the major assessment task for the unit.

The 2013 Caboolture SHS camembert achieved consistently high results in the RNA judging that took place last week, with our best cheese scoring 17 out of 20 and all others scoring 16. Unfortunately this did not place us in the top three cheeses submitted. The judges noted that there had been a general improvement in the cheeses being entered in this competition from all schools. This was evident when the winning cheese was announced with a score of 17.5. I would like to thank Ayla, Kaitlin and Kaylah, for their attendance as our student representatives at the judging day.

The last couple of weeks have seen some unusually heavy rain for this time of the year. Marine Science staff have laid the blame at the feet of one of their staff members who attended both camps which took place in this period. From all reports, despite the rain and cool conditions, both camps were very successful. Students gained a lot of experience in coping with less than perfect conditions and participated well in the planned activities. Special thanks go to the staff attending. Not only are these people on duty for the entire length of the camp, they have to endure exactly what the students do.

Last week saw the running of the ICAS Science Competition. Thanks to the parents/carers and students, for supporting this activity. The papers have been sent for processing and we will get the results back next term.

Best wishes to Shazura Lawrence who competes in the second round of the Brain Bee Challenge at the University of Queensland on Tuesday 18 June.

Wayne Hooper  
HOD Science

GEOGRAPHERS INSPIRED

The Year 11 Geographers have had a very productive year to date. Recently, they engaged in real world experiences that took them to urban centres across the Great South East. In particular, students went ‘on location’ to different localities in Brisbane City as part of their Town Planning Excursion. Their first stop was at South Bank, where field observations were made on seven planning objectives ranging from ‘history/heritage’ through to the ‘provision of support facilities’. The highlight, according to most students, was the ride on the ‘River Cruise’ boat from South Bank, past the Botanical Gardens, all the way to Newstead House and back again. The final
stop of the day was at the Northlakes Display Village. Whilst at the village, students were able to gain valuable insights into ‘residential development planning’ (through the information delivered by a key note speaker whom outlined the planning goals of Stockland when developing North Lakes and particularly the sustainability measures being undertaken), and ‘energy efficient house design’, ‘Functionality’ and ‘liveability’ (through direct observations of display homes on site).

This excursion was obviously of great personal relevance to all the students. In the first instance, they will most certainly be making decisions regarding where they will live in the future and will now be well equipped with the skills to make a wise choice. Secondly, students are now looking forward to studying Geography in Semester two, in which another field trip, this time to Sunshine Beach, will provide another wonderful excursion that has real life learning as the aim of the day.

Mrs Karla Levings-Levitt
SOSE Faculty

INDIGENOUS NEWS

The Term one challenge has seen many students excel in their school work and has given them more confidence. The results showed over half of our Indigenous students achieved the CHALLENGE to improve academic levels in Maths and English. Their reward was a VIP invitation to State of Origin Party at Suncorp Stadium on 5 June 2013. The students had a fantastic night and made new friends. Congratulations to all students who achieved the goal.

We have set another academic challenge for Term two in Maths and English and will get the results of achievements next term. Those who achieved the goal will also be rewarded for their efforts.

Our school participated in the Shave for a Cure on 22 March to help raise awareness and raised funds of over $4000 for the charity. One of our students, Mickayla shaved all her hair off and donated her long ponytail to Shave for a Cure to make wigs. Mickayla also helped raise over $500 for the charity.

Great job Mickayla, you are one brave girl!

Several Indigenous Year 11 and 12 students attended the Former Origin Greats (FOGS) Career Expo on 24 April. This was a great opportunity for the students to investigate career, employment and traineeship projects through multiple exhibitors including Universities, TAFES, Trades, Hospitality, Health and Government organisations, among others. Students had the opportunity to speak to employers about what jobs are available now, as well as on-the-job training, course or apprenticeship opportunities with Queensland’s training providers. Career paths have been reinforced and some new career options are now being looked at. Students also had the opportunity to meet several FOGS players and have their photos taken with their idols.

The ARTIE (Achieving Results Through Indigenous Education) Academy held its inaugural senior night for the Urban ARTIE Academy students to help them find the leader within. The night inspired students to adopt five key leadership qualities –

Students at the Caboolture show with the cattle

Alicya Wyllie acted as an Associate Judge for the day and has much to tell the students next term, regarding the judging process.

Farm Fantastic is after the holidays and students will get their forms this week if they are selected to go. Students need to see Mrs Pedwell if they are interested in going.

Mrs Kaye Pedwell
HOD Agriculture/ Srn Schooling

DOWN AT THE FARM

Students have been planting out nursery plants in our gardens at the farm, growing pumpkins as well as zucchini, capsicum, snow peas and beans. They have continued to pick up our macadamia nuts and these are currently being dried. The students have been working with the cattle, horses and new poultry. The Year ten students have been collecting data for their World Poultry Science Association (WPSA) trial that we enter each year. They will analyse the results that they collect soon and write up their report next term. Students then write a group report that is submitted into the competition before September. They also need to make a presentation about their report that they present in October to WPSA and DAFF representatives, delegates from WPSA, Inghams, Sunny Queen and so on, as well as vets and growers who work for these groups. This is a great opportunity for the students to mix with people from the Poultry industry.

At the shows

Students have worked well to prepare their cattle for the show season of a morning with Miss Whippy, our current Farm Assistant. Over the last two shows, we have won Grand Champion Bull and Cow. Placings at Esk Show were - Junior Champion Braford Bull with Cabhigh Hero; Junior Champion Braford Cow with Cabhigh Honey; and Senior Champion Braford Cow with Cabhigh Flame, with Cabhigh Hero and Flame taking out Grand Champions for the Braford Breed. For Caboolture Show - Junior Champion Braford Bull was Cabhigh Galileo; Junior and Senior Champion Braford Cows were Cabhigh Honey and Flame, with Cabhigh Galileo and Honey taking out Grand Champions for the Braford Breeds this time.

Students at the Caboolture show with the cattle

Mrs Karla Levings-Levitt
SOSE Faculty
seek opportunities; grab opportunities; be a team player; have a positive attitude and always give 110%. The students were encouraged to help drive the ARTIE Academy term challenges and projects in their school for better outcomes. All students had a great night participating in a variety of games, working as a team member, listening to motivational speakers and making many new friendships. One of the games played was paper, scissors & rock. Our senior, Melinda, became the champion after winning many rounds.

Well done everyone, I congratulate you on your achievements and success so far. We will be celebrating more soon.

Keep an eye on the daily notices so you don’t miss the upcoming events and exciting Indigenous news.

Mrs Carter
Indigenous Coordinator

THE WORLD OF SPORT

Cross Country
The 2013 Caboolture SHS cross country was held at Centenary Lakes on 20 May. The day was a great success, with a huge number of students participating. A special thank you goes to Ms Elmore and Mr Heath, for all of their hard work. Results and age champions are listed below:

Regional Cross Country
Our school cross country team attended the trials on Tuesday 4 June at Elizabeth Daniels Park, Buderim. It was a well-attended carnival this year, with 37 runners from our school; the biggest turn out in the last five years. Congratulations to all runners on your exemplary efforts and behaviour. Thanks to Mr Heath and the senior helpers, for organising and taking care of the runners for the day. A number of students finished in the top 40, which is a great effort with over 100 runners in each event. Congratulations to the following students:

Open Girls Touch Football
Congratulations to the school’s Open Girls Touch Football team, on a very successful summer season.

The highlights of the season are listed below:

- Sunshine Coast South Zone Undefeated Champions – Won the grand final 3-1 against Grace Rothwell.

The girls automatically qualified for round 3 of the Metropolitan finals at Whites Hill. The result of the round 3 Metro game was:

- Caboolture v Wavell – Caboolture won 5-4.
The girls then had to back up and play the semi-final against Cavendish Road. The result of the semi-final Metro game was:

- Caboolture v Cavendish Road – Cavendish Road won 13-4.

Once again, congratulations to all the girls, for your dedication and enthusiasm. You have made the school proud.

Mr Chris Little
A/HOD HPE

GRADE 8 GIRLS BASKETBALL VICTORY – by Emily-Rose Wagner – Year 8

This summer season, 2013, the Grade 8 girls Basketball team had a fantastic season. With most of the team never playing basketball before, we started the season losing a couple of games; however, we soon found our way and won the rest of our games. This led us to the semi-finals which we won! This then qualified us for the grand-final against Narangba Valley. This was our toughest game but we won the Sunshine Coast Zone final 28-11. The win qualified us for the Metropolitan Cup. We won the first Metro game by 20 points. This then qualified us for the semi-finals, which we won convincingly. We made it to the Metro grand-final but lost by three points to Marsden SHS.

Apparently this is the best any Basketball team has gone at Caboolture SHS. As a player in this team, I am so proud of all the girls. They played hard, tried their best and gave 100% throughout all of our games. As a team, we felt honoured to be representing Caboolture High.

The team improved dramatically throughout the season with the help of Mrs Hooper and her assistant Mr Robo Robinson. They helped us train hard and gain general knowledge of the game.

On behalf of the whole team, we would like to say thank you to Mac and Joseph, for helping coach at the end of the season and thank you to Adios and Tye, who pitched in at the end.

Congratulations to the following girls, for an outstanding season:
- Sophie, Emily, Lilee, Emily-Rose, Kirra, Erin, Caitlyn, Shayla.
Thanks again to Mr Robinson and Mrs Hooper!

WE ROCK!!!

HOUSE SPIRIT

MIGHTY MORETON displayed great fight and spirit in the recent inter-house cross country held at Apex Park. Students ran, walked or skipped their way around the 4km track, showing pride in their house as they went. A special mention needs to go to Moreton age champions, Kelly Reece 8M2, Sabrina Savill 9M2, Shaniah Duggan 10M2 and Daniel Papasidero 8M1. Next event on the calendar is the athletics carnival and Moreton is looking to dominate this event as they have done in the past two years. Go the Mighty Moreton Muddies!

Bailey Chandler
House Captain – Moreton Muddies

FROGTASTIC! We may not have won the Cross Country but we sure had lots of winners. Our outstanding achievers were acknowledged at our House meeting last week.

9F1 was our best represented House Group with only two students away on the day.

A special House Spirit award was made to Esekia Aiioloio who, despite being on crutches, attended the carnival and earned us valuable points.

We had some terrific contributions within age groups, especially from our senior boys. The top 10 places in both the U16 and Open divisions were dominated by Fraser runners. Of note, Caleb Spinks was U16 Age Champion and Robbie Parsons, who was unwell on the day and almost didn’t run, came second in the Open race.

Jenna-Rose Werahiko was our second Age Champion, winning the Open Girls race.

Congratulations to our other top 10ers and thanks for the big points earned for Fraser:

Well done too to all those who participated in the Regional Cross Country event. The first two carnivals have been very close. We know we’re within reach of top place going into the Athletics Carnival. Each Fraser student is expected to contribute by entering in at least one event. Participation is the key!

**Carolyn Bradley**
**Fraser Frogs**

**Crutches weren’t going to stop Esekia Aiiloilo taking part! What a champ!**

STRADDIE SHARKS. This year’s Cross Country event provided a few shiny stars for Stradbroke:

- Thomas Swane – 15 Years Boys Age Champion
- Stradbroke dominated the eight top place getters in the 15 Years Boys age group with Thomas, Declan Grambower, Teneke Robertson, Terry Hutchinson and Blake Standen leading the way.
- Boys – Tyler Parker (13 Years), Travis Ellis (14 Years), Mitchell Williams (16 Years), Rhys Cutter (16 Years) and Connor Wakeling (Open), all had top eight finishes in their age groups.
- As did girls – Tamieka Mangone (13 Years), Courtney Sarcia (13 Years), Abigail James (15 Years) and Rylee Dobson (Open).

Sadly, the rest of the day did not pan out as we had hoped, with Stradbroke finishing in fourth place overall. Now though, it is not the time to dwell on past defeats but to look forward to future conquests. Athletics Carnival, here we come! Keep an ear out for upcoming lunchtime athletics events.

Don’t forget Sharkies, all is not lost, you can play your part in promoting Stradbroke by participating in competitions, sports, musical, band, cattle showing... Give it a go! If every Sharky, ran in one event, jumped in one field event, threw in one field event, we would be unbeatable! It’s up to you!

Which mascot do you want Mr Hooper to bring to our next meeting???

**Jayne Hooper**
**Stradbroke Sharks**

Ready to go.
 BRIBIE TRIUMPHANT AGAIN! Go red! Bribie Sports House wins the cross-country.

Bribie House cross country competitors did a great job this year, launching our sports house to the forefront in this annual event. Besides age champions, (eg Stuart Gilliland in the Open group) Bribie had multiple placings in many of the age sections, which ultimately gained overall victory for Bribie.

House captains and teachers would like to express their appreciation to all those die-hard Bribie participants who showed up and raced well on the day. This win catapults Bribie to the front in the aggregate points stakes and lets the other houses know they have to chase us to win.

Only one more carnival to go – athletics – so go Bribie! Yay – red!

Bribie Bulldogs

JETTS FITNESS MORAYFIELD SPONSORSHIP

Jetts Fitness Morayfield has continued its wonderful sponsorship of the Caboolture State High School Sporting program. The gym is accepting 20 students on Wednesday and Thursday afternoon during sport time to use the gym and facilities. This is an excellent opportunity to promote the health and wellbeing and improve the fitness levels of our students. We thank Jetts Fitness, for their wonderful support.

Mr Dave Maher
Junior Sports Coach

CHAPPY’S NEWS

Hello everyone, I hope your term is going well and that you are enjoying life every single day. It has been a very busy time for chaplaincy here at Caboolture High, with a huge amount of different activities to be a part of. To quickly list a couple of notable things, we have had conflict resolutions groups, teamwork and leaderships programs with Year nines, breakfast club on Tuesdays, excursions, cross country, support service meetings, bacon and eggs breakfast during NAPLAN tests, connecting some Year nine girls with a “girls getaway camp”, and, of course, lots of wonderful one on one catch ups with students and staff about all sorts of different things.

Also this term, I participated in an event called SPIN OFF. This was a fundraiser for chaplaincy in this school which was held near Brisbane. I was blessed enough to have enough wonderful students and local supporters to make a team of ten people to go down and compete with other chaplaincy groups for some awesome prizes. Extra-large thanks to everybody who bought a ticket to support this; without generous people like you, I would not have the opportunity to work here for the full five days a week. This term also saw national “Chappy week”, which is just a time to say thanks to our chaplains, for some of the things they do, so thank you everyone for your kind words in that week.
As always, I look forward to what the future holds and hope to catch up with as many of you as possible in the upcoming weeks.

God Bless you all in everything you put your heart into.

Mr Mark Bellamy
School Chaplain

MEN’S HEALTH WEEK

International Men’s Health Week (IMHW) is held every year in the second week of June. In 2013, IMHW is being held: 10-16 June.

Men’s Health Week is a great way to encourage men, women and children to interact with the health and wellbeing of the males in their lives!

For more information on how to improve men’s health, check out the following resources:
http://www.menshealthweek.org.au/En/Pages/ed9ab7/Resources.aspx

Congratulations to Desley and Debbie, who are our May prize winners. Welcome to our new Mum, Irene. Birthday wishes go to Carolyn – 19 June.

SHAFT JUNE/JULY 2013 HOLIDAY PROGRAM

24 June to 5 July 2013

Looking for something exciting to do these school holidays?

SHAFT is a program introduced by the Moreton Bay Regional Council for high school aged students who reside in or attend high school in the Moreton Bay Region. The exciting range of activities are subsidised by Council, making them affordable for all students.

Activities range from Go-Karting to Horse Riding, Abseiling to Rock Climbing, Sailing to Golf and all at an affordable price, ranging from $5 to $30 (depending on the activity).

The complete program for June/July’s SHAFT Program will be available online or in the current SHAFT brochure at libraries and Council foyers around the region from mid-May.

Bookings for the June/July 2013 SHAFT Program open 9am Tuesday 4 June 2013! You can make bookings online at www.moretonbay.qld.gov.au/shaft or by calling 5433 2052. Book early to avoid disappointment!
