ACADEMY PROGRAMS APPLICATION FORM

Caboolture State High School is committed to providing inclusive and engaging learning experiences for all students. Our Academy Programs are in addition to the normal program of timetabled classes. Our Academy Programs enable students to develop their skills, attributes, talents, abilities and knowledge beyond the standard classroom setting. Extra-curricular activities, events, competitions and projects form an integral part of all of these programs. These activities may be on a local, state, national or international level.

Our Academy Programs will often require students to attend the program outside of the normal school hours and all enrolled students must attend these scheduled sessions. This could be before school, from as early as 8:00am, or after school, until as late as 4.30pm, depending on the length of the program sessions for each week.

Students and parents/carers must also be committed to student attending events and activities related to the Academy Program and pay program fees associated. All Academy Programs in 2022 have a subject fee of \$150.

HOW TO APPLY

To be considered for enrolment in one of Caboolture State High School's Academy Programs, students must:

- Be enrolled in Caboolture State High School for 2022

- Be available to attend a trial for the Sports Academy programs
- Have attached their most recent report card and NAPLAN results to this application
- Submit the completed paperwork by 4pm, Friday 19 November 2021

If students have applied for more than one program, every effort will be made to accommodate their choices. If only one program can be accommodated, the student will be placed into the program using their preferences.

All students must maintain a high level of academic results, work ethics and demonstrate our school values (PRIDE).

All students must enter into a separate written agreement for each of the programs – Charter available Term 1, 2022.
