

SPORTS ACADEMY APPLICATION FORM (2025) VOLLEYBALL

Caboolture State High School is committed to providing inclusive and engaging learning experiences for all students. The Volleyball Academy program is in addition to the normal program of timetabled classes in Year 7. This program will enable students to develop their skills, attributes, talents, abilities and knowledge beyond the standard classroom setting. Extra-curricular activities, events, competitions and projects form an integral part of all of these programs. These activities may be on a local, state or national level.

Our Volleyball Academy Program may require students to attend the program outside of the normal school hours and all enrolled students must attend these scheduled sessions. This could be before school, from as early as 8:00am, or after school, until as late as 4:30pm, depending on the length of the program sessions for each week.

Students and parents/carers must also be committed to student attendance at events and activities related to the Volleyball Academy Program and pay a \$50 program administration. The Volleyball Academy Program will have a variety of extra events, excursions and competitions that are 'user pay' experiences, and separate invoices will be sent out for these.
