

# LEADERSHIP ENRICHMENT

## OUR AIM

Caboolture State High School will provide opportunities for young, motivated students to develop their skills and confidence and lay the foundations for future leadership opportunities at Caboolture State High School.

## OUR COMMITMENT

Caboolture State High School is committed to providing inclusive and engaging learning experiences for students, previous student leaders and those aspiring to be a future student leader.

We are proud to offer our EMERGE Leadership Enrichment Program to Year 7 students to further grow or develop their leadership skills that have been nurtured in their primary schooling years.

## WHY CHOOSE CAB HIGH?

01

Our leadership philosophy encompasses the ideas that emerging leaders have a diverse range of qualities and attributes that can be developed to encourage strong future leaders in the school and wider community.

02

Being a leader at Caboolture State High School is more than just standing on a stage. The program will expose students to a range of leadership challenges and opportunities to build their character and foster the essential 21st Century learning skills of critical and creative thinking; team work and collaboration; personal and social skills; and communication.

03

On completion of the Year 7 Leadership Enrichment Program, students have the opportunity to continue a Leadership Pathway across Years 8 to 12 (Junior and Senior School Captains; Student Council; House Captains; School Ambassadors; Cultural Leaders; Indigenous Leaders).

# LEADERSHIP ENRICHMENT

## THE PROGRAM

---

The program provides inclusive and engaging learning experiences for students to develop their leadership skills, attributes, talents, abilities and knowledge beyond the standard classroom setting.

The EMERGE Leaders Enrichment program will expose students to the following:

- Leadership styles and attributes
- Leadership Culture within the school
- Personal and Social development
- Collaboration through team environments
- Contribution to school events (Roles and Responsibilities) and Curriculum Areas

The program is led by the Year 7 Line of Sight team and various leaders within the school community. Students will also have access to specialised coaches and mentors during their participation of leadership incursions, excursions and conferences.

During the program, students will become Ambassadors for Caboolture SHS.

Ambassador opportunities will occur at school and beyond the school community.

## APPLICATIONS

---

- Entry into Caboolture State High School's Leadership Enrichment program is by application only.
- Students must proactively display the school's PRIDE values.
- Application forms are available via the school website.
- Families are responsible for the course costs.

---

Students will attend this program on a regular basis. The program provides students with a place where they can develop their own leadership style in a confidential and comfortable setting with like-minded students.
