## FAQ's

### How long until I receive my device once its been ordered?

Laptops are couriered direct and take 2-3 business days if already in stock.

### Why can't I purchase ADP at the same time as the device?

New legislation now forbids the sale of add on insurances without 4 days cooling off.

### When should I look to place my order?

As soon as suits your budget is our suggestion, we will have plenty of stock but cannot guarantee all models will be available come late January 2023.

### I have a question not on this list?

Please contact us directly to discuss, we both love helping parents make the best decisions for BYOD devices when choosing HP.
