COURSE CONTENT

UNIT 1	UNIT 2	UNIT 3	UNIT 4
<p>Have you ever wanted to say something that makes everybody think you are a genius? Well, continue your Chinese language learning in Year 11 to boost your brain functions and prepare to be 'famous' when you travel to China. Your ability to speak Chinese will amaze everyone who thinks Chinese is one of the hardest languages to learn.</p> <p>You will explore more about your own world from another cultural perspective.</p>	<p>Prepare yourself for the increasingly globalised world by investigating how Chinese culture continued to contribute and influence the world from the 'Four Great Inventions' to the 'Four Modern Inventions'. Today, knowing Chinese sets you apart from everyone else and gives you that edge in employment opportunities as well as travel experiences. You will discover China, in ways that you have never seen before.</p>	<p>Do Chinese teenagers face the same challenges as you? How do you perceive yourself at school, at home and in the wider community?</p> <p>Self-identify, self-image, self-worth, self-confidence are important to all teenagers around the world. You will continue to examine your identity by learning from another cultural perspective as well as reflecting on your own.</p>	<p>Are you ready for an adventure? Have you ever thought about travelling the world while completing your university degree? Find out more by studying Chinese in Year 11 and 12. You will broaden your horizons and see endless opportunities beyond Caboolture, beyond Brisbane, and even Australia. Be ready to take on the world after you graduate from high school!</p>
