EXCELLENCE AND ACADEMY PROGRAMS APPLICATION FORM

Caboolture State High School is committed to providing inclusive and engaging learning experiences for all students. With the exception of Music Excellence, our programs of Excellence are in addition to the normal program of timetabled classes in Year 7. Our Programs of Excellence enable students to develop their skills, attributes, talents, abilities and knowledge beyond the standard classroom setting. Extra-curricular activities, events, competitions and projects form an integral part of all of these programs. These activities may be on a local, state, national or international level.

Our Excellence Programs will often require students to attend the program outside of the normal school hours and all enrolled students must attend these scheduled sessions. This could be before school, from as early as 8:00am, or after school, until as late as 4.30pm, depending on the length of the program sessions for each week.

Students and parents/carers must also be committed to student attendance events and activities related to the Excellence Program and pay program fees associated. All Excellence Programs in 2022 have a subject fee of \$150.

HOW TO APPLY

To be considered for enrolment in one of Caboolture State High School's Programs of Excellence, students must:

- Be enrolled in Caboolture State High School for 2022
- Complete this application form (ensure the student completes their section in their own words)
- Be available to attend a trial for the Sports Academy programs
- Have attached their most recent report card and NAPLAN results to this application
- Submit the completed paperwork by 4pm, Thursday 28 October 2021

If students have applied for more than one program, every effort will be made to accommodate their choices. If only one program can be accommodated, the student will be placed into the program using their preferences.

PLEASE NOTE

All students must maintain a high level of academic results, work ethics can demonstrate our school values (PRIDE).

All students must enter into a separate written agreement for each of the programs.

Please attach any additional information that you feel is relevant to support your application.

PLEASE INDICATE WHICH PROGRAM YOU ARE APPLYING FOR. IF APPLYING FOR MORE THAN ONE PROGRAM, PLEASE INDICATE BY ORDER OF PREFERENCE

MUSIC EXTENSION PROGRAM

The Music Extension program is designed specifically for students who have a genuine interest in Music and who have had previous experience with music. This could include learning a musical instrument throughout primary school, having private singing or instrument lessons or being skilled in a particular area of music.

Students in the Music Extension program will participate in a wide variety of learning experiences, including performing for an audience; composing for various instruments and styles; exploring different styles of music; and building on knowledge of music notation and theory. This will involve singing; playing a variety of instruments; experimenting with music technology; composing through a manipulation of music elements; and working with a wide variety of music repertoire. Students who study music will develop problem solving skills, time management skills and communication skills.

Acceptance into the Music Extension program is via application only and the selection process will consider music ability, performance standard, behaviour and academic achievement. Students are encouraged to continue in this program in Years 8 and 9, preparing them for the senior Music subject.
