

CABOOLTURE

STATE HIGH SCHOOL

Making the difference today ... for tomorrow

SPORTS

ACADEMIES

Sports Academies at Caboolture

The Caboolture State High School Academy is designed for students who show skill/talent in sports or sporting endeavours.

Together, we are creating bright futures for our students by building on its proud sporting traditions and successes. We highly value sport and actively encourage all of our students to participate in sporting opportunities.

We have two exciting opportunities:

Volleyball Academy

Athletic Performance Academy

← INCLUDES APPAREL KIT AND BACKPACK →

Entry into Caboolture State High School's Sport Academy programs, for both Volleyball and Athletic Performance, is by application only.

Application forms are available from the school or via download from our website.

Please contact the school for further information about this exciting opportunity.

Program Leader

Mr Chris Little | HOD HPE and Sports
