Today he gets to pick out the squad that will serve with him through his final year of training. Today is the start of his squad's legend. But the unimaginable happens: he discovers the Hadfield, a legendary colony ship lost for more than two centuries. The rescue is death defying, and Ty is able to save the ship's one survivor: eighteen year old Alexandra O'Malley. But by the time he returns to Andromeda Academy, he's in hot water with the Academy brass, and worse, he's missed the Draft.
