COURSE DURATION	TWO YEARS	CONTRIBUTES TO ATAR Only 1 Cert. III subject will contribute to an ATAR, if studied with 4 General subjects.	YES
FINANCIAL COMMITMENT	\$550 for 2 years REFER TO SRS & SUBJECT FEE SCHEDULE	DELIVERY PARTNERSHIP	iVet
COURSE REQUIREMENTS	Students must have a USI (Unique Student Identifier) number.	SUBJECT PATHWAY	VET

COURSE CONTENT

The program will be delivered through class-based tasks that will simulate a workplace environment. A range of teaching/learning strategies will be used to deliver the competencies. This qualification provides the skills and knowledge for an individual to be competent in a wide range of general ICT technical functions and to achieve a degree of self-sufficiency as an advanced ICT user. The course has a strong practical focus and draws on the elective IT specialist streams of web technologies and applications, which have direct relevance to workplace roles.

BSBXCS303	Securely manage personally identifiable information and workplace information	Core
BSBXTW301	Work in a team	Core
BSBCRT301	Develop and extend critical and creative thinking skills	Core
ICTICT313	Identify IP, ethics and privacy policies in ICT environments	Core
ICTPRG302	Apply introductory programming techniques	Core
ICTSAS305	Provide ICT advice to clients	Core
ICTICT213	Use computer operating systems and hardware	Elective
ICTICT214	Operate application software packages	Elective
ICTSAS311	Maintain computer hardware (new version of ICTSAS303)	Elective
ICTSAS308	Run standard diagnostic tests	Elective
ICTWEB306	Develop web presence using social media	Elective
BSBXCS301	Protect own personal online profile from cyber security threats	Elective

ASSESSMENTS

Assessment will be competency-based where students must demonstrate competency in all the stated performance criteria. This may be through demonstrations and observations, practical or written tests, simulations, work-based projects or assignments. Student profiles are maintained to record the competency levels achieved by the students for each of the self-paced units studied.

CAREER PATHWAYS

This qualification will give employers a degree of confidence in an individual's abilities in the workplace. It could lead to employment in basic personal computer (PC) support, basic network/system administration, first level help desk roles, ICT retailing or vendor product support. Possible job titles include: help desk officer, help desk assistant, ICT operations support, ICT user support, PC support, and technical support.

TRAINING PROVIDER | IVET INSTITUTE | RTO: 40548

<http://training.gov.au> - Please refer to the training.gov.au website for specific information about the qualification. Students must achieve competency in each unit of competency to be issued with a full certificate at the completion of this course. If students do not achieve the full certificate, a statement of attainment will be issued detailing the competencies completed. Units of competency are correct at time of printing. In the event of changes to training packages, these will be made by ASQA. Students will be notified and Caboolture SHS will ensure students are transitioned to new units of competency as required by QCAA and ASQA.

Disclaimer: Caboolture SHS must have suitable teachers and equipment to run this course. If the school loses access to these resources, the school will attempt to provide students with alternative opportunities to complete the course and the related qualifications. The school retains the right to change or cancel the vocational component of the course if it is unable to meet requirements.
