

# Investing for Success

Under this agreement for 2020  
Caboolture State High School will receive

**\$781,294\***

*Making the  
difference today...for  
tomorrow*

## This funding will be used to

- Increase the percentage of students achieving A-C level of achievement.
- Improve NAPLAN mean scale score and number of students attaining national minimum standard in numeracy, writing, and reading.
- Increase student attendance rates and behaviour or effort results.
- Increase student engagement and decrease student disciplinary absences.
- Build teacher capacity to deliver high yield teaching strategies.

## Our initiatives include

- **Learning Culture** - Continue to enhance the schools learning culture and student engagement through the implementation of Positive Behaviour for Learning (PBL), Essential Skills for Classroom Management (ESCM), Restorative Practices and Reboot.
- **Curriculum** - Implement targeted literacy or numeracy intervention programs within our Curriculum Plan.
- **Pedagogy** - Continue to enhance teacher capacity and inclusion through coaching, mentoring and feedback to embed ASOT and Visible Learning as part of our Pedagogy Plan.

## Our school will improve student outcomes by

- |   |           |
|---|-----------|
