A welcome from Maria at the Finance Desk

It certainly has been an interesting year and with the support of our Principal I look forward to working with all families in relation to school fees, student grants, any financial matters concerning your child's education.

In relation to the latest Newsletter from our Executive Principal Fiona Free, I would like to focus on the highlighted areas below. My details are provided to assist you with any queries. If you would like a face to face appointment with me (*keeping within our school Covid processes*), please contact our school office 5498 0111 and our administration team will book an appointment for you. Alternatively, you could contact me direct or via email, my details are located next to my photo.

Outstanding School Fees

Finance Focus: Tuesday 23 August afternoon, all accounts with outstanding payments will receive a statement via email. **Please do not contact the school if you have not received a statement.** We will be contacting parents/carers with outstanding fees through the course of next week. Our calls are based on assisting you with these statements through entering the school payment methods. A payment plan is certainly an option, which can only be entered into, following a discussion with the Business Manager.
