

Investing for Success

Under this agreement for 2022
Caboolture State High School will receive

879,993*

*Making the
difference today...for
tomorrow*

This funding will be used to

- Increase the percentage of students achieving A-C level of achievement.
- Increase student attendance rates and behaviour or effort results.
- Increase student engagement and decrease student disciplinary absences.
- Build teacher capacity to deliver high yield teaching strategies.

Our initiatives include

- **Learning Culture** - Continue to enhance the schools learning culture and student engagement through the implementation of Positive Behaviour for Learning (PBL), Essential Skills for Classroom Management (ESCM), and Restorative Practices.
- **Curriculum** - Implement targeted literacy or numeracy intervention programs within our Curriculum Plan.
- **Pedagogy** - Continue to enhance teacher capacity and inclusion through coaching, mentoring and feedback to embed High Yield Strategies and Visible Learning as part of our Pedagogy Plan.

Our school will improve student outcomes by

- | | |
|---|-----------|
| • Employing additional teachers | \$400,000 |
| • Employing additional Heads of Department | \$300,000 |
| • Employing additional teacher aides. | \$100,000 |
| • Employing a Youth Support Coordinator an extra 2 days per week. | \$ 40,000 |
| • Target professional learning and development for staff. | \$ 39,993 |
