| <p>http://training.gov.au - Please refer to the training.gov.au website for specific information about the qualification. Students must achieve competency in each unit of competency to be issued with a full certificate at the completion of this course. If students do not achieve the full certificate, a statement of attainment will be issued detailing the competencies completed. Units of competency are correct at time of printing. In the event of changes to training packages, these will be made by ASQA. Students will be notified and Caboolture SHS will ensure students are transitioned to new units of competency as required by QCAA and ASQA.</p> | | | |
| COURSE CONTENT | | | |
| <p>AHC21216 Certificate II in Rural Operations allows the student a broad exposure to animal and plant knowledge and practical skills suited to local and regional agriculture. Student complete core competencies to be able to work safely on a farm production site. There is a range of animal and plant types that can be utilised on the school farm to develop knowledge and skills. Industry expects upon completion of certificate competencies that students can carry out routine tasks under general supervision.</p> | | | |
| COURSE UNITS | | | |
