TRAINING PROVIDER | CABOOLTURE STATE HIGH SCHOOL NATIONAL PROVIDER NUMBER 7061

http://training.gov.au - Please refer to the training.gov.au website for specific information about the qualification. Students must achieve competency in each unit of competency to be issued with a full certificate at the completion of this course. If students do not achieve the full certificate, a statement of attainment will be issued detailing the competencies completed. Units of competency are correct at time of printing. In the event of changes to training packages, these will made by ASQA. Students will be notified and Caboolture SHS will ensure students are transitioned to new units of competency as required by QCAA and ASQA.

COURSE CONTENT

This qualification provides the skills and knowledge for an individual to be competent in a wide range of general ICT technical functions and to achieve a degree of self-sufficiency as an advanced ICT user. The course has a strong practical focus and draws on the elective IT specialist streams of web technologies and applications, which have direct relevance to workplace roles.
