### INFORMATION TECHNOLOGY PROGRAM - BYOD PARTICIPATION AGREEMENT

#### Bring Your Own Device to School (BYOD) - \$20 PER YEAR

Caboolture State High School aims to provide students with the opportunity for more personalised learning through access to technology both at home and school. As part of your enrolment at Caboolture State High School you will need to bring your laptop to school every day.

This cost enables your child to access the following:

- connect to the school network
- onsite technical support
- help with troubleshooting
- installation of software programs (such as Adobe and Autodesk)

#### BYOD EXCLUSIONS

\* Any faults, outside of the school's technical support, will need to be pursued by the parent/carer from where the device was purchased.

#### PARTICIPATION

Before students are permitted to connect their device to our network:

- This Participation Agreement must be read, signed and returned.
