COURSE CONTENT

UNIT 1	ASSESSMENT
Time of my Life Do you want to know how other teenagers live in other countries? Do you want to know what teenagers in China do after school? Completing the year 8 Chinese course will offer you the chance to experience a teenager's daily routine in China. You will compare your life to the life of a student in China. You will learn the differences between counting time in Chinese and English. Plus, you will get to know the subjects that students in China learn and also explore what Chinese students do for fun on the weekend.	Multimodal presentation

UNIT 2	ASSESSMENT
Exploring the World Do you want to explore the world? Do you know how vast the cultures and countries of the world are? This unit will teach you to be your own tour guide if you ever visit China. You will learn how to ask for directions to famous attractions, explore the diverse foods on offer and know where to find the best authentic local Chinese food. You will also learn how to problem solve if you ever get lost. Plus, you'll be able to introduce Australian food and attractions to any local friends you make in China, using their language.	Combination response exam
