ASSESSMENTS

Assessment will be competency-based where students must demonstrate competency in all the stated performance criteria. This may be through demonstrations and observations, practical or written tests, simulations, work-based projects, or assignments. Student profiles are maintained to record the competency levels achieved by the students for each of the self-paced units studied.

CAREER PATHWAYS

Successful completion of this course may lead to work in an assistance role in the health care sector in a variety of roles. It will also give you the foundation skills you need to undertake further study in the industry in the fields of nursing, paramedics,

TRAINING PROVIDER | TAFE QLD - CRICOS Provider Code: 03020E | Registered Training Organisation Code: 0275 | Higher Education Provider Code: PRV13003

<http://training.gov.au> - Please refer to the training.gov.au website for specific information about the qualification. Students must achieve competency in each unit of competency to be issued with a full certificate at the completion of this course. If students do not achieve the full certificate, a statement of attainment will be issued detailing the competencies completed. Units of competency are correct at time of printing. In the event of changes to training packages, these will be made by ASQA. Students will be notified and Caboolture SHS will ensure students are transitioned to new units of competency as required by QCAA and ASQA.

Disclaimer: Caboolture SHS must have suitable teachers and equipment to run this course. If the school loses access to these resources, the school will attempt to provide students with alternative opportunities to complete the course and the related qualifications. The school retains the right to change or cancel the vocational component of the course if it is unable to meet requirements.
